

PD014
B31.3 Process Piping Design

Day One

Morning

- I. History of Codes
- II. Definitions
- III. Considerations of Design

Afternoon

- IV. Pressure Design of Piping and Piping Components

Day 2

Morning

- V. Continue Pressure Design of Piping and Piping Components

Afternoon

- VI. Piping Flexibility Analysis

Day 3

Morning

- VII. Piping Flexibility Analysis

Afternoon

- VIII. Limitations of Piping and Piping Components
- IX. Pipe Supports

Day 4

Morning

- X. Pipe Supports

Afternoon

- XI. Leak Testing
- XII. Piping Failures and Their Causes

* Daily topics may be presented in a different order based on instructors' judgment.
